

THE OTHER SHOE—let it drop on you...

"Which Country?"

www.theothershoe.net

The Other Shoe...its Country music but not exactly your momma's country music. **The Other Shoe** has just released our debut CD titled, "**Which Country?**" We shake up the **SHOE** and throw it down. If you like Americana, Reggae, Folk, R&B, Singer Songwriter then you will dig this.....wo/man! It's a big band-some nights we are eight, some nights less-Some nights more; but it's always grooving' and people are moving! We are 8 of NY's talented and busy working musicians. Who do we work with? You are bound to have seen some or all of us at some point with *The Wailers, Jimmy Cliff, Phoebe Snow, Curtis Mayfield, Toots and the Maytals, Nils Lofgren, The Subdudes, The Meters*, etc. I told you; we're whores.

So in conclusion; dig us, check out some tunes, share us with your friends and enemies, dig our friends, and book us for shows. Get on it while the gettin' is good; G.....Word!

"Which Country?" is available on iTunes , CDbaby.com and at all live shows.
